

## FACTSHEET

### COMMUNITY CARE DAY

#### Overview

Since 2019, the Agency for Integrated Care (AIC) has designated 1 November as 'Community Care Day'. This day recognises and celebrates the work and contributions of all Community Care staff. Their perseverance in delivering quality care with passion and dedication enable seniors to live well and age gracefully in the community. Through this event, AIC hopes to raise the awareness and attractiveness of all professions in the Community Care sector as a choice career.

Against the backdrop of COVID-19, AIC, in collaboration with corporate partners, have come together to show our appreciation to all Community Care staff. As part of the Community Care Day celebrations, AIC has tied up with various partners to offer a range of benefits for all Community Care staff to enjoy. These include:
