

## Tote Board Better Health Fund (TBBHF)

FY2025 to FY2029

TBBHF is a seed fund to **pilot** innovative programmes with a potential to scale within the community care sector.

### Three Key Priorities

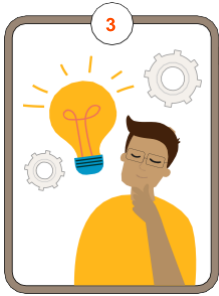

#### Care and Support

- ✓ To empower individuals and expand the range of approaches that allow them to age healthily and well
- ✓ Explore innovative care models that keep seniors active, while easing the burden on caregivers

#### Care Integration

- ✓ To strengthen care services and enable the community in achieving a seamless continuum of care for clients
- ✓ Establish linkages between social and healthcare providers, and build the capability of providers to expand their scope to provide integrated services

#### Emerging Areas

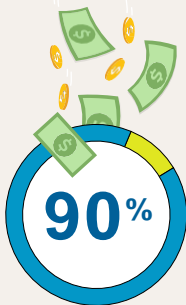

- ✓ To energise the ecosystem to be future-ready in addressing emerging priorities and gaps

### Eligibility (Critical Criterion)

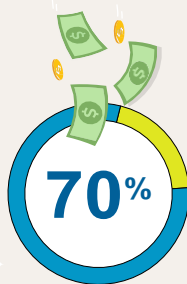

*Note: Eligible organisations and institutions must have General Reserves **not more than 3 years** of Total Operating Expenditure*

### Funding

of total operating expenditure if programme serves an unmet need and uses a **new method or approach** which aims to achieve transformative impact in the landscape.

of total operating expenditure if programme serves an unmet need and is an **existing service model** rolled out to a new target group.

### Application

Complete all mandatory fields and upload necessary supporting documents for the TBBHF application on the [OSG Portal](#). Kindly email TBBHF Secretariat at [tb.secretariat@aic.sg](mailto:tb.secretariat@aic.sg) if there are any queries.

**WHAT**

are the needs and gaps that your programme is trying to meet?

**HOW**

is the programme currently funded (if any) and are other funding avenues being sought?

**WHAT**

are the deliverables and learning outcomes?

**WHAT**

is the proposed solution?

**WHO**

are the targeted beneficiaries?

**WHAT**

is the funding request and duration?
